

Vilseck VTF Mobile Mission

Vilseck Veterinary Treatment Facility (VTF) provides small animal medical support and care to privately owned animals through a quarterly out-patient mobile clinic. Services provided include immunizations, microchipping, routine physical examinations, Health Certificates, limited routine in-house testing (fecal analysis, rapid result blood testing – SNAP). Our clinic is run out of Building 236, just behind the local German Bistro/Café near the Community Bank.

The quarterly clinic is generally announced 1 month in advance of the visit on community resources (website, radio, biweekly newsletter). Pets are seen on an appointment only basis, and appointments can be made by phoning the Vilseck VTF.

We offer a variety of over the counter products (heartgard, frontline, revolution, shampoos, ear cleaner, etc). However if you definitely want to purchase these items, phone in advance to place your order with a credit card over the phone. We can bring the items with us to the mobile clinic for collection or send items to your CMR.
