

# SHIPMENT OF PETS TO THE UNITED STATES COMMERCIAL FLIGHTS

- Contact the airline to verify that your pet(s) have space reserved. Ask them about cage requirements and weight restrictions. Prices vary widely depending upon these two categories. Try to get written confirmation and the name of the person who gave you this information.

\* **Note:** Remember that airline companies have travel restrictions based on weather temperatures, so call to verify that your pet will indeed be able to accompany you on your designated flight.

- First you must go to the Italian Post Office and purchase a “**Conto Corrente Postale**”. Complete the form according to the example enclosed. The cost is €27.54 for the first pet, for multiple pets the cost is €13.26 for each pet after the first. ★ Also Available at Community Bank
- Take the receipt of the “Conto Corrente Postale”, your pet(s) health records, rabies certificate and **YOUR PET(S)** to the Italian Government Vet listed below.
- You must get the Health Certificate **5-6 days** prior to your departure date. You must depart within the 6 days, **NO LATER** than the date stamped on the certificate. All travel must be completed within 30 days.  
You must acquire a separate Health certificate per animal that will be travelling with you.
- The vet will examine your pet, check your paperwork and issue you one green transit permit called “Certificato Sanitario” for each pet. **ONLY** the below listed Italian Government Vets (AUSL 3-Servizio Veterinario) may issue the certificate.

\* **NOTE:** These time limits and fees are for assistance only. We accept no responsibility for incorrect information as the Italian Government may change these at any time, and often do.
